

## TEAM COVID-19 COORDINATOR CHECKLIST

The team COVID-19 Coordinator role is to assist the Coach in ensuring that the team is compliant with state and local guidelines during training sessions.

### PRIOR TO PRACTICE SESSION OR GAME

- ☐ Upon arrival, inquire how athletes are feeling, send them home if you believe they are acting or look ill.
- ☐ Ensure accurate attendance for all practice and game sessions. This is necessary for contact tracing if this should become necessary.
- ☐ Parents/ guardians should drop their child off five minutes prior to practice and pick-up at stated end time. Parent's should not linger around the field to watch practice. If an exception is required, please send the request to the Club's COVID Safety Officer.
- ☐ Ensure proper sanitizer is available on site.
- ☐ Record attendance of all players/coaches/parents/chaperones in attendance.

### CAPACITY LIMITS

- ☐ Assist your Organization in monitoring capacity limits of practice session or game and ensure they are within the following limits:
- ☐ No more than 25 players and coaches on each field. This limit pertains to each separate field or similarly marked area being used. Best efforts should be made to keep teams together and not mixed with other teams.

## HYGIENE PROTOCOLS

- ❑ Minimize the use of any shared equipment during the session. All shared equipment must be cleaned at the end of the practice session or game using a product from the list of disinfectants meeting EPA Criteria for use against the novel coronavirus.
- ❑ Players should not share personal equipment, shin guards, goalkeeper gloves, sweatshirts, sweatpants etc.
- ❑ No shared food or drink may be provided during any activities for participants.
- ❑ Ensure players only drink from their own containers.
- ❑ Ensure proper hand hygiene at the beginning and end of all activities either through handwashing or with alcohol-based hand sanitizer.

## AFTER TRAINING SESSION:

- ❑ Ensure players take all their belongings from their designated equipment area.
- ❑ All waste should be placed by the respective parent, player, coach, or spectator in the trash receptacle. Nothing should be picked up by anybody other than the originator of the waste.
- ❑ Do not allow players or parents to congregate in parking lots, at drop off zones, facility entrances/exits before or after a training session or game.
