

Arlington Soccer Club Select Player Requirements

Updated May 19, 2023

Requirements

ASC select teams hold practices twice per week and play games on Saturdays during 10-week Fall and Spring seasons. Select team players are expected to:

- Participate in both the Fall and Spring seasons.
- Make every effort to attend the two weekly practices, with a **50% minimum attendance requirement (i.e., one practice per week)**.
 - 50% or less attendance may negatively impact a player's likelihood of being selected in subsequent years.
- Play for their ASC team at Columbus Day tournaments.
- Make every effort to attend all regularly scheduled Saturday BAYS games. Saturday game absences for reasons other than illness, injury, or emergencies are taken seriously;
 - Three game absences (in a single season) may negatively impact a player's likelihood of being selected in subsequent years.
 - Four or more game absences (in a single season) may result in removal from the team during a season and prohibition of trying out in the future.
- Make every effort to attend any makeup or rescheduled games held on other days.

Consequences

1. **During the Fall or Spring Season** If a player does not meet the above requirements the Head Coach will inform the respective Age Group Director and the Director of Coaching. A decision will be made if the player will be allowed to continue on a Select Team pending a review.
2. **Tryout Evaluations** will document a player's failure to not meet the above requirements. Not meeting the above requirements may result in a player not being chosen to play on a Select Team.
